The screenshot shows the Xilinx Licensing Solution Center website. The header includes 'Solutions', 'Products', and 'Company' links, followed by the XILINX logo. The main heading is 'Licensing Solution Center'. Below it, a question 'What type of product license help do you need?' is followed by two columns of options: 'Obtain a license for Free or Evaluation product' and 'Obtain a license for Purchased product'. The 'Purchased product' section includes a red box around the text 'Visit the Xilinx Product Licensing Site to generate a License Key'. To the right, there are 'Quick Links' and 'Key Documentation' sections.
